"Premio alla Bontà Hazel Marie Cole" award

12 students from UWC Adriatic received the "Premio alla Bontà Hazel Marie Cole" award. The award ceremony took place on 24th November 2010 in the Auditorium of UWC Adriatic. Over 100 students from UWC Adriatic have received this award, now in its 11th year. The award is dedicated to College students from particularly disadvantaged backgrounds who cannot afford even the basic personal daily expenses. Thanks to these additional contributions, the beneficiaries of these donations can enjoy a better quality of life during their two-year stay in Duino. The award was instituted by Dr. Aldo Pianciamore in memory of his wife, Hazel Marie Cole Pianciamore and her good deeds. The prizes were given by Dr. Aldo Pianciamore and Marquise Etta Carignani in the presence of the Rettore and the President of the College. The ceremony was accompanied by the notes of Chopin's Ballade n.1, skillfully performed by UWC Adriatic alumnus Bat-Erdene Batbileg from Mongolia (2008-2010) who is currently studying at the Music Conservatory of Trieste and who received the award himself in 2008-2009.
